SUBJECT INDEX

A

Abnormalities
Congenital causes of incontinence in childhood: presentation and treatment (Gray). 1990;17:47-53
A practical approach to teaching self-catheterization to children with myelomeningocele (Brown). 1990;17:54-6
Advertising
Interface pressure measurements (Krouskop and Garber). 1990;17:182 (Letter)
Aged
Managing incontinence in the nursing home population (Fowler et al). 1990;17:77-86
Air-loss beds; *see* **Beds**
Alzheimer's disease
Helping caregivers cope: managing urinary incontinence associated with Alzheimer's disease (Duffy). 1990;17:87-93
Amputation
Diabetic foot lesions: pathogenesis and management (Levin). 1990;17:29-34 (Keeping current)
Arterial ulcer; *see* **Skin ulcer**

B

Bandages; *see* **Dressings**
Beds
Interface skin pressures on four pressure-relieving devices (Counsell et al). 1990;17:150-3
Low and high air-loss beds in acute care hospitals (Pieper et al). 1990;17:131-6 (Case notes)
Pressure reduction mattresses versus pressure reduction overlays: a cost analysis (Hale and Smith). 1990;17:241-3
A study of interface pressure for pressure reduction and relief mattresses (Petrie and Hummel). 1990;17:212-6 (Case notes)
Universal pressure sore precautions (Kedas et al). 1990;17:237-40
Visceral protein nutritional assessment of patients placed on a high or low air-loss bed (Pieper et al). 1990;17:145-9
Your patient: Which therapy? (Doughty et al). 1990;17:154-9
Bedsore; *see* **Decubitus ulcer**
Biofeedback
Kegel exercises enhanced by biofeedback (Tries). 1990;17:67-76
Board certification; *see* **Certification**
Body image
Body image and self-concept among individuals with stomas (Klopp). 1990;17:98-105

C

Carcinoma
Comparison of concerns of clients and spouses regarding ostomy surgery for treatment of cancer: phase II (Coe and Kluka). 1990;17:106-11
Case notes
Case notes. 1990;17:128-42, 171-3, 205-22, 258-60
Catheterization, urinary; *see* **Urinary catheterization**
Certification
Embrace the scope (Wright). 1990;17:1-2 (Pres. message)
Charges; *see* **Fees and charges**
Chemotherapy; *see* **Drug therapy**
Cholangitis, sclerosing
Primary sclerosing cholangitis: implications for the ET nurse (Colwell and Dasgupta). 1990;17:171-3 (Case notes)
Clinical innovations
Clinical innovations. 1990;17:180
Colostomy
Patient with colostomy. Part III. 1990;17:14-28 (Standards of care)
Congenital defects; *see* **Abnormalities**
Corrections
The history of urinary diversion and undiversion (Bellinger) (1989;16:39-41). 1990;17:159
A study of interface pressure for pressure reduction and relief mattresses (Petrie and Hummel) (1990;17:212-6). 1990;17:257
Primary sclerosing cholangitis: Implications for the ET nurse (Colwell and Dasgupta) (1990;17:171-3). 1990;17:253
Costs and cost analysis
Pressure reduction mattresses versus pressure reduction overlays: a cost analysis (Hale and Smith). 1990;17:241-3
Cross-sectional studies
Prevalence of pressure ulcers in five patient care settings (Langemo et al). 1990;17:187-92
Current literature
Current literature. 1990;17:35-9, 94, 123-6, 167-70, 199-204, 254-7

D

Data collection
Enterostomal therapy nurse justification (Neese). 1990;17:137-8 (Case notes)
Decubitus ulcer; *see also* **Beds**; **Skin ulcer**
Comments and ideas (Faller). 1990;17:40 (Letter)
A pilot test of two methods for the treatment of pressure ulcers (Saydak). 1990;17:139-42 (Case notes)
Prevalence of pressure ulcers in five patient care settings (Langemo et al). 1990;17:187-92
Skin care considerations in the neonate for the ET nurse (Garvin). 1990;17:225-30

January/February, pp. 1-40; March/April, pp. 41-94; May/June, pp. 95-142; July/August, pp. 143-182; September/October, pp. 183-222; November/December, pp. 223-268.

Delivery of health care
Enterostomal therapy nurse justification (Neese). 1990;17:137-8 (Case notes)
Demyelinating diseases
Urinary incontinence (Lockhart-Pretti). 1990;17:112-9
Depression
Body image and self-concept among individuals with stomas (Klopp). 1990;17:98-105
Dermis; *see* **Epidermis**
Diabetes mellitus
Diabetic foot lesions: pathogenesis and management (Levin). 1990;17:29-34 (Keeping current)
Leg ulcers (Richelson). 1990;17:217-9 (Case notes)
Diaper rash
Skin care considerations in the neonate for the ET nurse (Garvin). 1990;17:225-30
Dressings
A pilot test of two methods for the treatment of pressure ulcers (Saydak). 1990;17:139-42 (Case notes)
Drug therapy
Impaired skin integrity related to radiation therapy (Ratliff). 1990;17:193-8

E

Education, nursing
Embrace the scope (Wright). 1990;17:1-2 (Pres. message)
ET nurses: shared goals, different backgrounds (Pieper). 1990;17:160-6
Teaching ostomy care to nursing students (Joachim). 1990;17:249-51 (Educ. perspectives)
Educational perspectives
Educational perspectives. 1990;17:249-51
Electromyography
Urinary incontinence (Lockhart-Pretti). 1990;17:112-9
Epidermal necrolysis, toxic
Toxic epidermal necrolysis: recognition and treatment (Tuggle and Smith). 1990;17:208-11 (Case notes)
Epidermis
Impaired skin integrity related to radiation therapy (Ratliff). 1990;17:193-8
Skin care considerations in the neonate for the ET nurse (Garvin). 1990;17:225-30
Equipment and supplies
A collaborative study: evaluation of a postoperative pouching system (Fitzpatrick). 1990;17:244-8
Comments and ideas (Faller). 1990;17:40 (Letter)
Managing incontinence in the nursing home population (Fowler et al). 1990;17:77-86
Stresses produced during application of ostomy pouches (Flam). 1990;17:258-60 (Case notes)
Ethics
Reflections (Wright). 1990;17:143-4 (Pres. message)

F

Family
Comparison of concerns of clients and spouses regarding ostomy surgery for treatment of cancer: phase II (Coe and Kluka). 1990;17:106-11
Fecal incontinence
Managing fecal incontinence (Watterworth and Ryzewski). 1990;17:180 (Clin. innov.)
Fees and charges
Charging for services: efficiently, effectively, and easily (Doughty et al). 1990;17:10-3
Foot
Diabetic foot lesions: pathogenesis and management (Levin). 1990;17:29-34 (Keeping current)

G

Guest editorial
Guest editorial. 1990;17:43-6

H

Hospitalization
Low and high air-loss beds in acute care hospitals (Pieper et al). 1990;17:131-6 (Case notes)

I

IAET; *see* **International Association for Enterostomal Therapy**
Immobilization
Your patient: Which therapy? (Doughty et al). 1990;17:154-9
In review
In review. 1990;17:127, 181
Indiana pouch; *see* **Urinary diversion**
Infant, newborn
Skin care considerations in the neonate for the ET nurse (Garvin). 1990;17:225-30
Interface pressure; *see* **Pressure**
International Association for Enterostomal Therapy
Collaborative management: why, how, and what (Wright). 1990;17:223-4 (Pres. message)
IAET Strategic Planning Report: Chapter VII. 1990;17:3-9
Reflections (Wright). 1990;17:143-4 (Pres. message)

K

Keeping current
Keeping current. 1990;17:29-34, 174-9
Kegel exercise
Kegel exercises enhanced by biofeedback (Tries). 1990;17:67-76

L

Leg ulcer
Leg ulcers (Richelson). 1990;17:217-9 (Case notes)
Legislative focus
Legislative focus. 1990;17:252-3
Letters to the editor
Letters. 1990;17:40, 182
Lupus erythematosus, systemic
Caring for the person with a stoma and systemic lupus erythematosus (Williams and Halpin-Landry). 1990;17:128-30 (Case notes)

M

Malnutrition; *see* **Nutrition disorders**

Market research
An open letter to manufacturers and market research firms (Jeter). 1990;17:40 (Letter)
Mattresses; *see* **Beds**
Meningomyelocele
A practical approach to teaching self-catheterization to children with myelomeningocele (Brown). 1990;17:54-6
Multiple sclerosis
Voiding dysfunction in patients with multiple sclerosis (Kaplan and Blaivas). 1990;17:120-2

N

Neonate; *see* **Infant, newborn**
Neoplasms
Comparison of concerns of clients and spouses regarding ostomy surgery for treatment of cancer: phase II (Coe and Kluka). 1990;17:106-11
Impaired skin integrity related to radiation therapy (Ratliff). 1990;17:193-8
Nursing education; *see* **Education, nursing**
Nursing homes
Managing incontinence in the nursing home population (Fowler et al). 1990;17:77-86
Nursing records
Enterostomal therapy nurse justification (Neese). 1990;17:137-8 (Case notes)
Nursing research
ET nurses: shared goals, different backgrounds (Pieper). 1990;17:160-6
A pilot test of two methods for the treatment of pressure ulcers (Saydak). 1990;17:139-42 (Case notes)
Sharing resources for clinical research (Pieper et al). 1990;17:205-7 (Case notes)
Nursing services
Address to all ET nurses: the state of the specialty (Wright). 1990;17:183-6 (Pres. message)
ET nursing's window of opportunity (Wright). 1990;17:95-7 (Pres. message)
Implementation of the ET nurses' role (Kranzman). 1990;17:220-2 (Case notes)
Nutrition disorders
Visceral protein nutritional assessment of patients placed on a high or low air-loss bed (Pieper et al). 1990;17:145-9

O

Ostomy; *see also* **Colostomy**
Body image and self-concept among individuals with stomas (Klopp). 1990;17:98-105
Caring for the person with a stoma and systemic lupus erythematosus (Williams and Halpin-Landry). 1990;17:128-30 (Case notes)
A collaborative study: evaluation of a postoperative pouching system (Fitzpatrick). 1990;17:244-8
Comparison of concerns of clients and spouses regarding ostomy surgery for treatment of cancer: phase II (Coe and Kluka). 1990;17:106-11
Skin care considerations in the neonate for the ET nurse (Garvin). 1990;17:225-30
Stresses produced during application of ostomy pouches (Flam). 1990;17:258-60 (Case notes)
Teaching ostomy care to nursing students (Joachim). 1990;17:249-51 (Educ. perspectives)
Outcome and process assessment
Patient with colostomy. Part III. 1990;17:14-28 (Standards of care)
Overlays; *see* **Beds**

P

Patient education
Comparison of concerns of clients and spouses regarding ostomy surgery for treatment of cancer: phase II (Coe and Kluka). 1990;17:106-11
Patient outcome assessment; *see* **Outcome and process assessment**
Postoperative care
A collaborative study: evaluation of a postoperative pouching system (Fitzpatrick). 1990;17:244-8
Stresses produced during application of ostomy pouches (Flam). 1990;17:258-60 (Case notes)
Pouching system; *see* **Equipment and supplies**
President's message
Address to all ET nurses: the state of the specialty (Wright). 1990;17:183-6
Collaborative management: why, how, and what (Wright). 1990;17:223-4
Embrace the scope (Wright). 1990:17:1-2
ET nurses as the specialists in the care and prevention of incontinence (Wright). 1990;17:41-2
ET nursing's window of opportunity (Wright). 1990;17:95-7
Reflections (Wright). 1990;17:143-4
Pressure; *see also* **Beds**
Interface skin pressures on four pressure-relieving devices (Counsell et al). 1990;17:150-3
A study of interface pressure for pressure reduction and relief mattresses (Petrie and Hummel). 1990;17:212-6 (Case notes)
Pressure sore; *see* **Decubitus ulcer**
Prevalence studies; *see* **Cross-sectional studies**
Process assessment; *see* **Outcome and process assessment**
Product labeling
Interface pressure measurements (Krouskop and Garber). 1990;17:182 (Letter)
Professional practice
Address to all ET nurses: the state of the specialty (Wright). 1990;17:183-6 (Pres. message)
Collaborative management: why, how, and what (Wright). 1990;17:223-4 (Pres. message)
ET nursing's window of opportunity (Wright). 1990;17:95-7 (Pres. message)
Implementation of the ET nurses' role (Kranzman). 1990;17:220-2 (Case notes)
Prospective payment system
Enterostomal therapy nurse justification (Neese). 1990;17:137-8 (Case notes)

Protein-calorie malnutrition
Visceral protein nutritional assessment of patients placed on a high or low air-loss bed (Pieper et al). 1990;17:145-9

R

Radiation effects
Impaired skin integrity related to radiation therapy (Ratliff). 1990;17:193-8
Research, nursing; *see* **Nursing research**

S

Scalded skin syndrome; *see* **Epidermal necrolysis, toxic**
Sclerosing cholangitis; *see* **Cholangitis, sclerosing**
Self concept
Body image and self-concept among individuals with stomas (Klopp). 1990;17:98-105
Skin
